

Groundfish Plan Development Team (PDT)

Conference Call

Date: Thursday, May 15, 2008

Time: 10:30 am

The Council office conference room is available to members of the public who wish to listen in on this call. You will not be able to listen from any outside line. Please notify Joan O'Leary if you plan on using the conference room.

Agenda items:

- To review items discussed at the Groundfish Oversight Committee meeting this week.

The PDT may discuss the above issues in any order and may discuss other issues not contained in this notice.

Although PDT meetings are open to the public, they are not public meetings. Members of the public may attend but should not expect to speak at PDT meetings unless the PDT chair requests their input.

PDTs are responsible to the Council and work as directed by the Council's committees. The Council and its Committees, and not the PDTs, set management policy. As a result, comments about management options, unless solicited by the PDTs, should be provided to the committees and not to the PDTs.
